

José Rolón

A nuptial maestro, for almost a decade, José specializes in bringing comfort to a process that's famously filled with tough decisions and mounting stress. After his time at the Foundry, a luxury wedding venue in NYC, José went out on his own with the goal of leveraging his storytelling and relationship building abilities to create emotional and visual experiences for his clients. He quickly made a name for himself with his chill vibe and generous command, and his planning and design aesthetic has made him one of the top rising wedding planners in NYC. His work has been celebrated with the Best of The Knot, New York Times, Wall Street Journal, BRIDES, Martha Stewart, Essence Magazine, Sophisticated Weddings Magazine and New York Weddings.

Also, the host of his own wedding video series, The Wedding Buzz, he's got his pulse on what's what and who's who in the industry. Past guests include Marcy Blum, Ron Ben-Israel, Pinch Food Design, David Beahm, The Stylish Bride, and Shay of Say Yes To The Dress. This series and his ability to showcase many behind-the-scenes of his own weddings, he continues to be two steps ahead of the game in a social media driven world, and has been breaking conventional rules in our industry. José lives in Brooklyn Heights with his three children, and as a single dad, has learned how to keep his cool under pressure.
