

## TESTIMONIAL

---

"I listened to Natalie John during her presentation on the link between cruise tourism and travel agents in Belize and I was very impressed. Her work preparations and insights on the topic was to the point. From her personal experience working with travel agents and the agent's clients she was able to provide a perfect marriage for the two. The humor made the presentation well balanced and very informative speech."

- Kelly Fontenelle, Director Caribbean Sales, Travel Market Report

# TESTIMONIALS

"Miss John, who served with distinction in various capacities including an Export Credit Officer at the Eastern Caribbean Central Bank, the Manager of the Registry and of Investor Relations at the Eastern Caribbean Securities Exchange and Chief Executive Officer of Caribbean Governance Consultants Inc, has become very well-known in the Caribbean Region as a successful Entrepreneur and an outstanding public speaker. Indeed, we jointly conducted a number of workshops, seminars and consultancies in Corporate Governance throughout the Caribbean Region and her performance as a trainer and public speaker has drawn much commendation and admiration from the participants in these programs who were mainly Board Directors and Company Executives."

- Wendell E Lawrence OBE, MSc, CPA, CGMA

"Natalie has been involved in my events for years both as an exhibitor and as a presenter. Always engaging and knowledgeable, our travel agent audience has appreciated her experiences and ability to share what she knows. Whether the focus was a destination or how to put together a successful destination wedding, Natalie's grades on our post-show surveys were always tremendous. As good a speaker as she's been, she's always been one of my favorite people at our events!"

- Jim Clooman, Travel Show Marketing Group
